Push Connect
Repair Slip Couplings

Complete plumbing & heating system repairs *FAST*!

- Easy, permanent plumbing repairs
- Repair failed joints, burst areas, leaks & pinholes in minutes
- No special tools required, just cut out a small section, push connect, you’re done!
- Industry’s longest warranty!

Just one push for a permanent plumbing connection

Our Quick Fitting slip couplings install without special tools, no glues, no crimping and no soldering

Great for hot and cold water plumbing, ice makers, dishwashers & bathroom fixtures

Effortlessly connect to Copper, PEX or CPVC tubing

Perfect for emergency plumbing repairs!

Our ProBite™ slip couplings are great for FAST, easy and permanent repairs of many types of hot or cold water plumbing applications.
Cut, Clean, Mark It, Push Connect™!

ProBite's premium construction delivers superior performance & the industry's best warranty!

Why install metal or plastic fittings that are warranted to last about as long as a fluorescent bulb? Accept no substitutes, choose the only brand of fitting with a 75-year warranty, ProBite™.

*When using PEX, a Hi-Flo tube stiffener should be inserted into the PEX tubing end prior to insertion into the connection.

Fast, easy repairs...

1. Cut, clean, remove 2 - 2.5" area, clean & de-burr the tubing
2. a. Lower one end of the tube to push on the repair coupling, b. Install push clip
3. Depress the pusher toward the coupling & push over the joining tubing
