Push Connect
3-way & 1/4 Turn Stops

Premium quality, performance & function, all at an affordable price!

- Installs in seconds
- Approved for plumbing & heating applications
- Premium Stainless Steel™ components
- Industry’s longest warranty!

Just one push for a permanent plumbing connection

Our Quick Fitting Ultra valves install without special tools, no glues, no crimping and no soldering

Great for hot and cold water plumbing, ice makers, dishwashers & bathroom fixtures

Effortlessly connect to Copper, PEX or CPVC tubing

Our ProBite™ Quick Fitting 1/4 turn Stops and 3-way valves create a permanent connection in seconds.
Cut, Clean, Mark It, Push Connect™!

ProBite’s premium construction delivers superior performance & the industry’s best warranty!

Why install metal or plastic valves that are warranted to last about as long as a fluorescent bulb? Accept no substitutes, choose the only brand of push fitting with a 75-year warranty, ProBite™.

*When using PEX, a Hi-Flo tube stiffener should be inserted into the PEX tubing end prior to insertion into the ProBite™ fitting or valve.

Quick Fitting Ultra Valves
